Lynx Fulfillment Fills Position of Director of Technology

Shawn Morris hired as Director of Technology for Lynx Fulfillment

Olean, N.Y., June 24, 2009 - Lynx Fulfillment, a fulfillment, warehousing and logistics service provider for e-commerce and retail businesses has hired Shawn Morris as Technology Integrator.

Morris will manage the state of the art software and systems including LynxPro Fulfillment Software and LynxShip. The other areas that he will focus on include shopping cart integration, redundant system setup and telecommunications.

“Lynx Fulfillment has infused technology into every aspect of our business. The success of the operation is contingent on our systems seamlessly interacting with one another,” said Patrick Randolph, Lynx Fulfillment Managing Partner. “Shawn brings a unique combination of knowledge and experience as well as previous experience in the fulfillment industry.”

“I am excited to join the team at Lynx Fulfillment,” said Morris. “The opportunity to work for such a technologically advanced company while living in Olean is incredible. It is rare to find a company so committed to technology and customer service.”

Morris and his wife, Olivia, reside in Olean.
